

# ZILZIE VICTORIA

Starting with their own meticulously grown vineyards in the Murray Darling, Chief Winemaker Jonathan Creek focuses on creating fresh, luscious wines with structure and crisp acidity. Brilliant color, balance, and tensile strength result from Zilzie's ability to carefully select fruit from the diversity of terroirs and micro-climates that Victoria has to offer. These wines allow the fruit's natural elegance to shine through.

**Victoria** is home to over 21 wine sub-regions. Naturally cooler in the foothills of the Snowy Mountains and warmer across the undulating plains in the west and north, most regions enjoy warm summer days and cooler nights throughout the growing season. The abundance of lakes, billabongs, creeks and rivers that meander down from the Great Dividing Range in the state's east, create a vast array of micro-climates offering unique layers of character across favored varieties including Pinot Grigio, Chardonnay, Shiraz and Cabernet Sauvignon.

## 2022 ZILZIE VICTORIA SAUVIGNON BLANC

The fruit is the hero that shines through in this fabulously drinkable, crowd pleasing range of amazing quality wines.

Specially selected parcels of Sauvignon Blanc were harvested in the cool of the night to preserve freshness and quality. Individual batches were cool fermented in stainless steel, followed by lees stirring to give length and roundness to the palate. The wine was blended, stabilised and filtered prior to bottling.

*Pale straw in color with aromas of soft citrus, passionfruit and melon. Bright, fresh and bursting with tropical fruit flavors, this Sauvignon Blanc has a crisp, lively citrus finish. Highly drinkable and crafted for enjoyment upon release.*
